THE ESSENCE OF STUDENT LIFE BEGINS HERE

This year St. Joe went through several changes. Among these changes was the appointment of our new principal, Mr. John Dondero. After a few weeks of school, Mr. Dondero took a two month leave of absence after a severe heart attack.

During this time Mr. Dondero was able to think about his job, and more seriously, his life.

He said he truly missed the students and sincerely appreciated the well-wishes of everyone. Mr. Dondero felt slightly cheated by the heart attack so early in the school year. He said he had just got started and after he got back he had to start all over again.

Today, Mr. Dondero takes life a day at a time, trying to make the best of it, for he is not sure of tomorrow.

We, the student body and faculty here at Saint Joseph's would like to congratulate Mrs. Sneider for the award that she received this year. The Catholic Woman of the Year Award was presented to her; in the fall; by the Toledo Council of Catholic Women (TCCW).

TCCW has four separate districts and is an organization of the Toledo Diocese. The award was presented to an outstanding Catholic woman in each of the four districts. This was the first year the award was ever presented. It was started to honor Catholic women who devote their work towards the betterment of their community.

We, the student body and faculty would like to congratulate Mr. Robert Smith for winning the award, Athletic Director of the year, presented to him by the OHSADA.

Mr. Smith has been a teacher at St. Joe since 1946 and our football coach for 28 years. He has been a member of the Ohio High School Athletic Directors Association since it first started in 1957. Today he is the President of the Northwestern District and the Representative from St. Joseph High School.

Mr. Smith's duties as Athletic Director pertain to all sports at St. Joe, both boys' and girls'. He is responsible for things such as the sale of season tickets, preparing a budget, and making out financial reports regarding athletics. He also has the responsibility for arranging transportation for the athletic activities and the purchasing of equipment for all sports.

SOME ENCHANTED EVENING

Horizon Club is an organization made up of high school girls who are willing to work and lend a helping hand. They are always making an effort to do many services and money making projects.

The Horizon Club formal is an annual event, and is a time for all the groups to unite and share in each others' friendship. This year's Senior Horizon Club groups are Smith and Co., The Piggy Banks, and the Unforgettables.

The audience applauded enthusiastically when Laurie Hoffmann (sitting) escorted by Dave Grabel was crowned "1974 Horizon Club Queen," while Sue Swint received the honor of being 1st runner-up escorted by Tim Calmes.

Music for the formal was provided by the "Jades" and the theme was "Some Enchanted Evening."

Four Years —
I mean
is it possible?
It seems like only yesterday
when we ran around with braces,
mid-knee skirts, buttoned blazers,
and those classy little white blouses.

Friendship —
It grew between us,
and our classmates became cherished
in our hearts.

Learning —
Not to cross the "establishment" on risk of detention becoming mature enough to handle the world, and add
something to it.

Seniors —
We made it. Through tears,
heartaches, joys and defeats, we
pulled through — together.

Remember —
Don't forget us when you leave and
if you ever need a friend, look over your
shoulder — we'll be there.

ETERNAL PLAYGROUND IN OUR MIND

SENIOR FLOWER

SENIOR SONG
We May Never Pass this Way (Again)

Life — so they say
Is but a game and they let it slip away
Love — like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're going
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up
We may never pass this way again
We may never pass this way again
We may never pass this way again
Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up — always up
We may never pass this way again
We may never pass this way again
We may never pass this way again
So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way
That's why I want it with you
We may never pass this way again
We may never pass this way again
We may never pass this way again
We may never pass this way again

SENIOR MOTTO
There Are No Strangers Here, Only Friends We Haven't Met.

DAYS GONE BY

A new senior privilege was introduced to St. Joe's in the Spring. The seniors were able to dress up and have an open lunch period once a month. Top: sixth period, things settle down after the big day. Bottom: The guys take a break to hang out in Eddie's van.

Top: This is a familiar intersection faced by St. Joe students every day . . . It is one of the many crossroads the seniors have already passed and have left behind. Bottom: Here we are . . .

Will you remember
Your freshmen days?
It all went by in
Such a haze.

Their blazers were
All shiny and new.
And the Seniors saying,
"Who the heck are you?"

New teachers, new friends,
A whole new style.
It'll only last
A short, short while.

Remember the good times,
They go by so fast.
Here it is now,
But soon it is past.

SPORTS

A

The odds were against our team going into the 1974 football season. We had a losing 1973 season, only nine returning lettermen, and a new head coach.

The Streaks left the past behind and began to concentrate on this season. They began workouts in early summer and their attitude grew as training progressed. We became victorious over our Springfield and Shelby scrimmages, but lost to a strong Ottawa-Glandorf team.

How would our season turn out? Only time would tell . . .

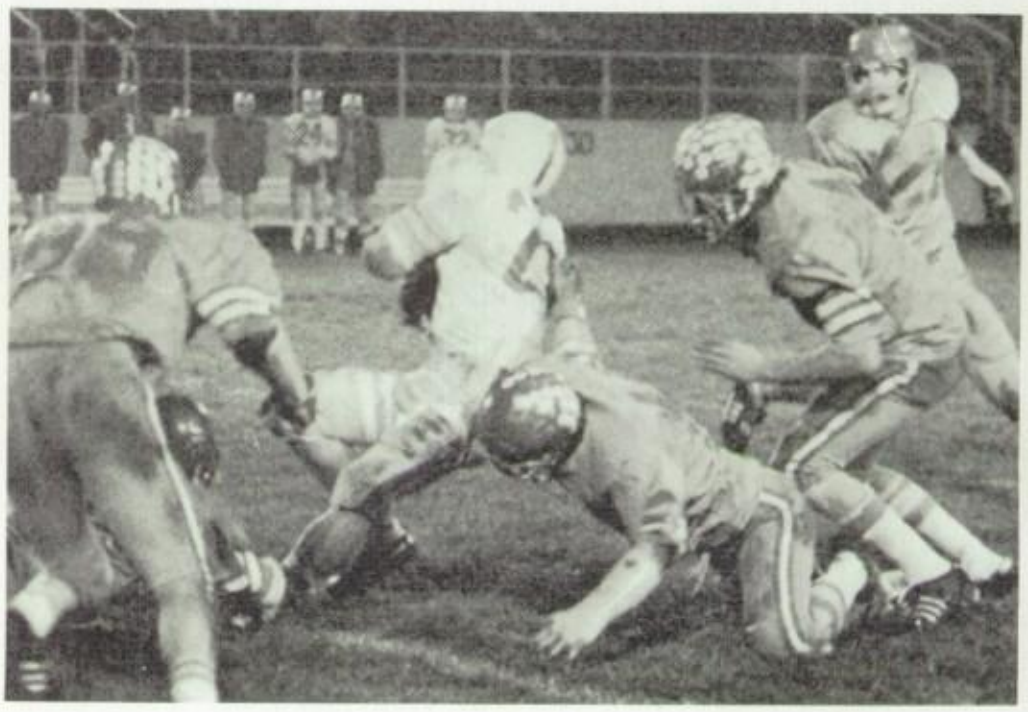
STREAKS REACH THE IMPOSSIBLE DREAM

WINDHAM 6-0
Streaks are victorious in the first round of state playoffs by dropping beafy Bombers, 6-0. The superb defense literally shut off the powerful running attack, giving up only one net yard rushing and also holding Windham to one first down and 63 total yards in just 28 offensive plays. Vince Swint stopped the lone Windham threat with an interception in the end zone. Tony Paradiso scored the only points with a five yard pass from Greg Kuns.

MIDDLETOWN FENWICK 21-0
The hopes of St. Joe Fremont were extinguished by the strong Falcons. An early score by All-Stater Mike Harkrader set the pace for the game. Middletown dominated the game on both offense and defense as the Streaks were shutout for only the second time this year. We may be #2, but we WILL try harder!



State runners-up! By reaching the state finals, Coach Rick Wonderly achieved in one year what many coaches hope to achieve in a lifetime of coaching. This high-spirited team bounced back from an opening loss to gain a 9-3 record and Ohio high school prominence. Bill Pert and Joe Guyer made first team All-Ohio, and many others were placed on All-SBC and All-District teams. It was an unforgettable season by dedicated coaches and a determined team.

GOOD LUCK

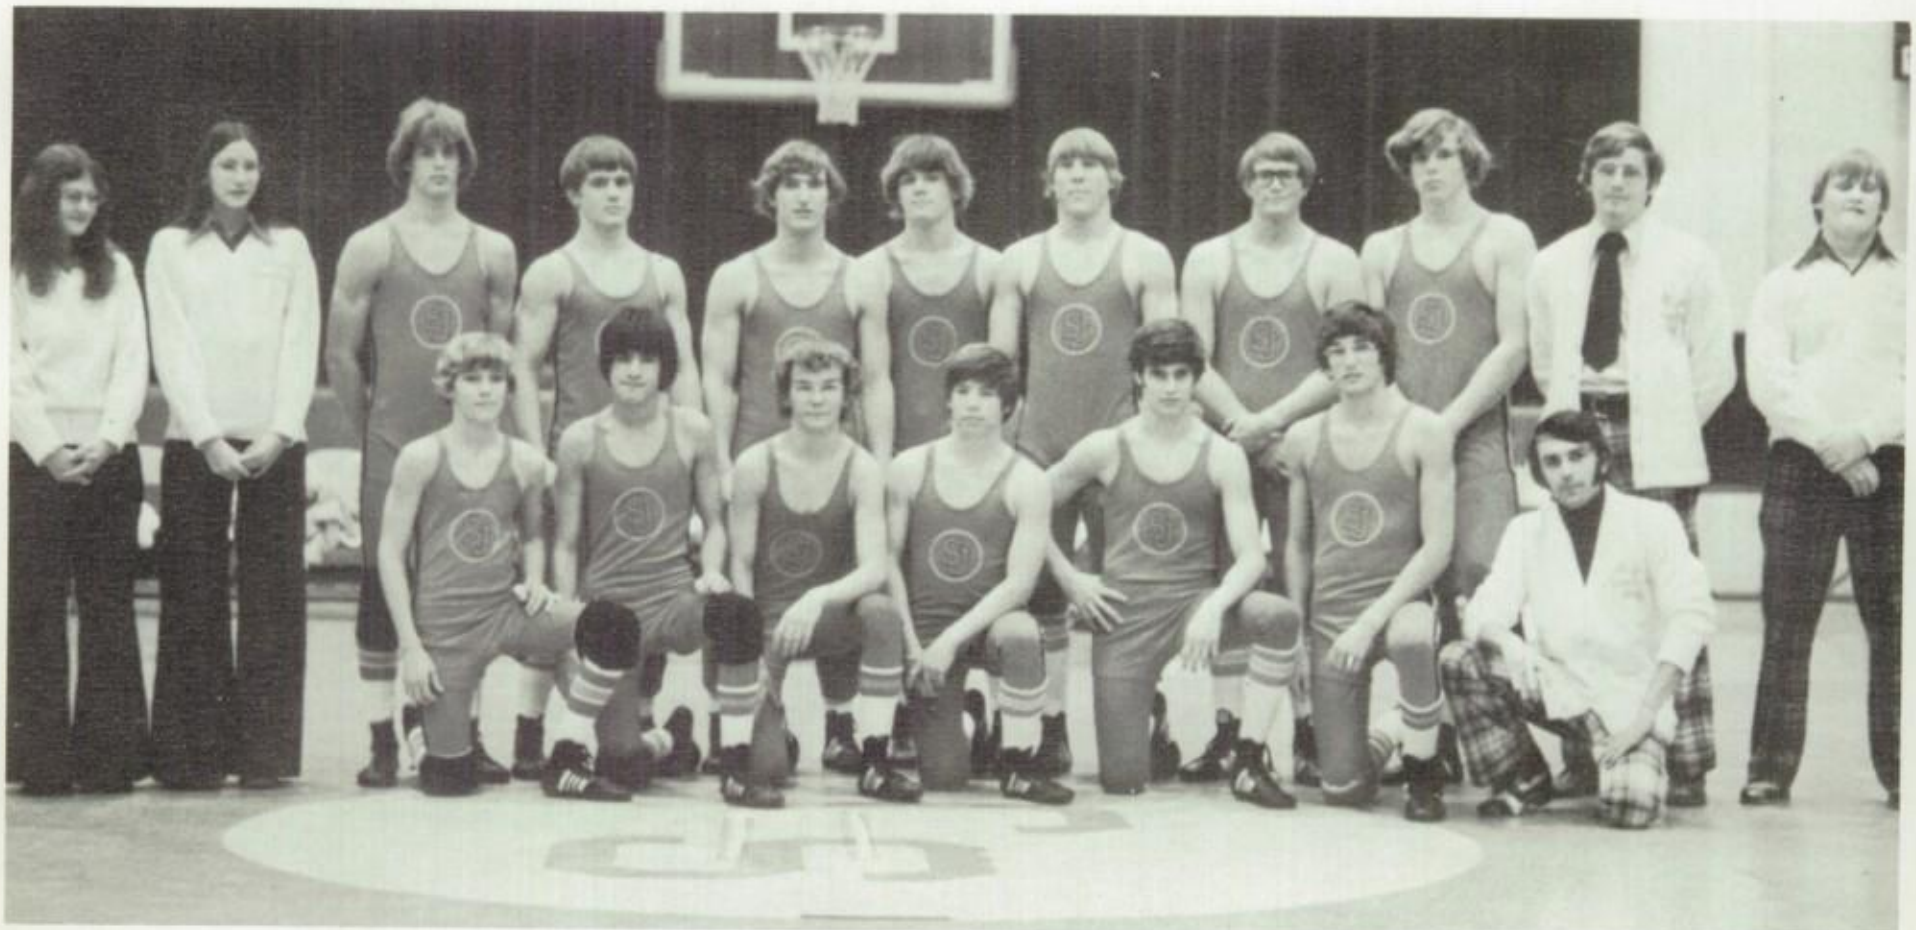
WRESTLING



The 1974-75 edition of the S.J. Grapplers are (Row 1) Tom Guyer, Willie Zamora, Tim Luc, Jim McKinney, Joe Picciuto, Bill Lawley, and Head Coach Gary Logsdon. (Row 2) Scorekeepers Patty Overmeyer and Julie Dunn, Rick Moyer, Co-captain Gus Wasserman, Tom Hoelzle, Bob Kaminski, Rick Jenkins, Mike Molyet, Dale Courtney, Coach Richard Reineck, and Manager Terry Brennen, Missing: Co-captain Bill Dirlam, Lynn McKinney, Bob Pfefferle, Jim Meyer, Vince Swint, and Joe Guyer.

For most schools, this past season would be considered a success. The team had a record of 5-3 in dual competition, plus the fact that they finished second in team competition in four tournaments. But this season would be recognized as mediocre in the St. Joe wrestling tradition. It was the first time in two years that they lost a dual meet, stopping a skein of sixteen consecutive victories. For only the second time in Coach Gary Logsdon's tenure as head coach, the team failed to win a tournament.

The season had its highlights, though. Under the leadership of Co-captains Bill Dirlam and Gus Wasserman and the other seniors, the squad plowed through most of their opponents. St. Joe wrestling fans were constantly following the performances of many of the team's stars, including Rick Moyer and Dale Courtney, who were undefeated until the last match with the strong Oak Harbor team.

The team finished runner-up in all three of the regular season tournaments they participated in. They finished second at Bowsher, in a tournament that featured all triple-A teams with the lone exception fo St. Joe. St. Mary took the second annual St. Joe invitational by five team points over St. Joe, then broke the hearts of Streaks fans by taking SBC also.

The future is bright, however. The loss of five Seniors will be costly, but one Sophomore and two Freshman lettermen return with the abundance of Junior lettermen. Hopefully, the great St. Joe wrestling tradition will remain for many more years.

When first-year head coach Carroll Cooley first came to St. Joe last fall, he was faced with a bad situation. He had to shape up the remnants of a losing team from last year, refine the talents of newcomers to the varsity, and instill a will of determination to have a victorious season.

He succeeded in this mission, for the basketball team had a winning season, was in the thick of the SBC race, and captured St. Joe's first sectional championship in twenty-one years.

From the first fall practice to the final game in March, this squad of four seniors and seven junior showed an amazing "never-say-die" attitude. After a slow start of three losses in the first three games, the team went on to a regular season record of 9-9, many of those victories coming in the last few seconds of the game, after overcoming large point margins.

Cool and the Gang, a name christened by the team itself, had the best post-season record that St. Joe has had after many years that rarely saw the Streak cagers get by their first tournament game.

When asked to reflect on his first team at St. Joe, Coach Cooley stated "Constant governing factors in the outstanding team play. This cooperation grew stronger as the season progressed, as did the performance of the team."

WORDS FROM THE WISE

Like all jobs it has its ups and downs . . . I enjoy St. Joe's! Teaching, as ever, has been challenging but rewarding, too, because there has been considerable progress. The kids are great! . . . I love to teach my classes . . . Great kids to work with. Every day is better than the day before. This is my day of salvation. I thoroughly enjoy my subject and love to see my people do likewise. It's fun to write . . .! I enjoy working with my . . . students, expecially those that use their talent that God has given them. Being here again this year, provides me with another opportunity not only to become aware of students as people, with limited abilities, varing attitudes of study, inner conflicts and worries, but to assist whoever, whenever and wherever I can. To a large extent a school revolves around its student body and, with some minor exceptions, my students have made this one of my most enjoyable years. Gott mitt Uns!

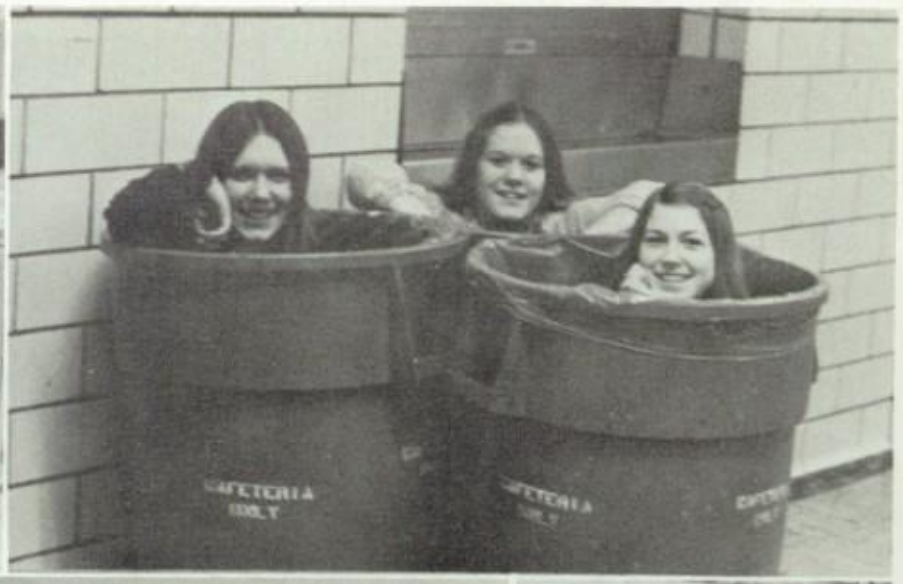
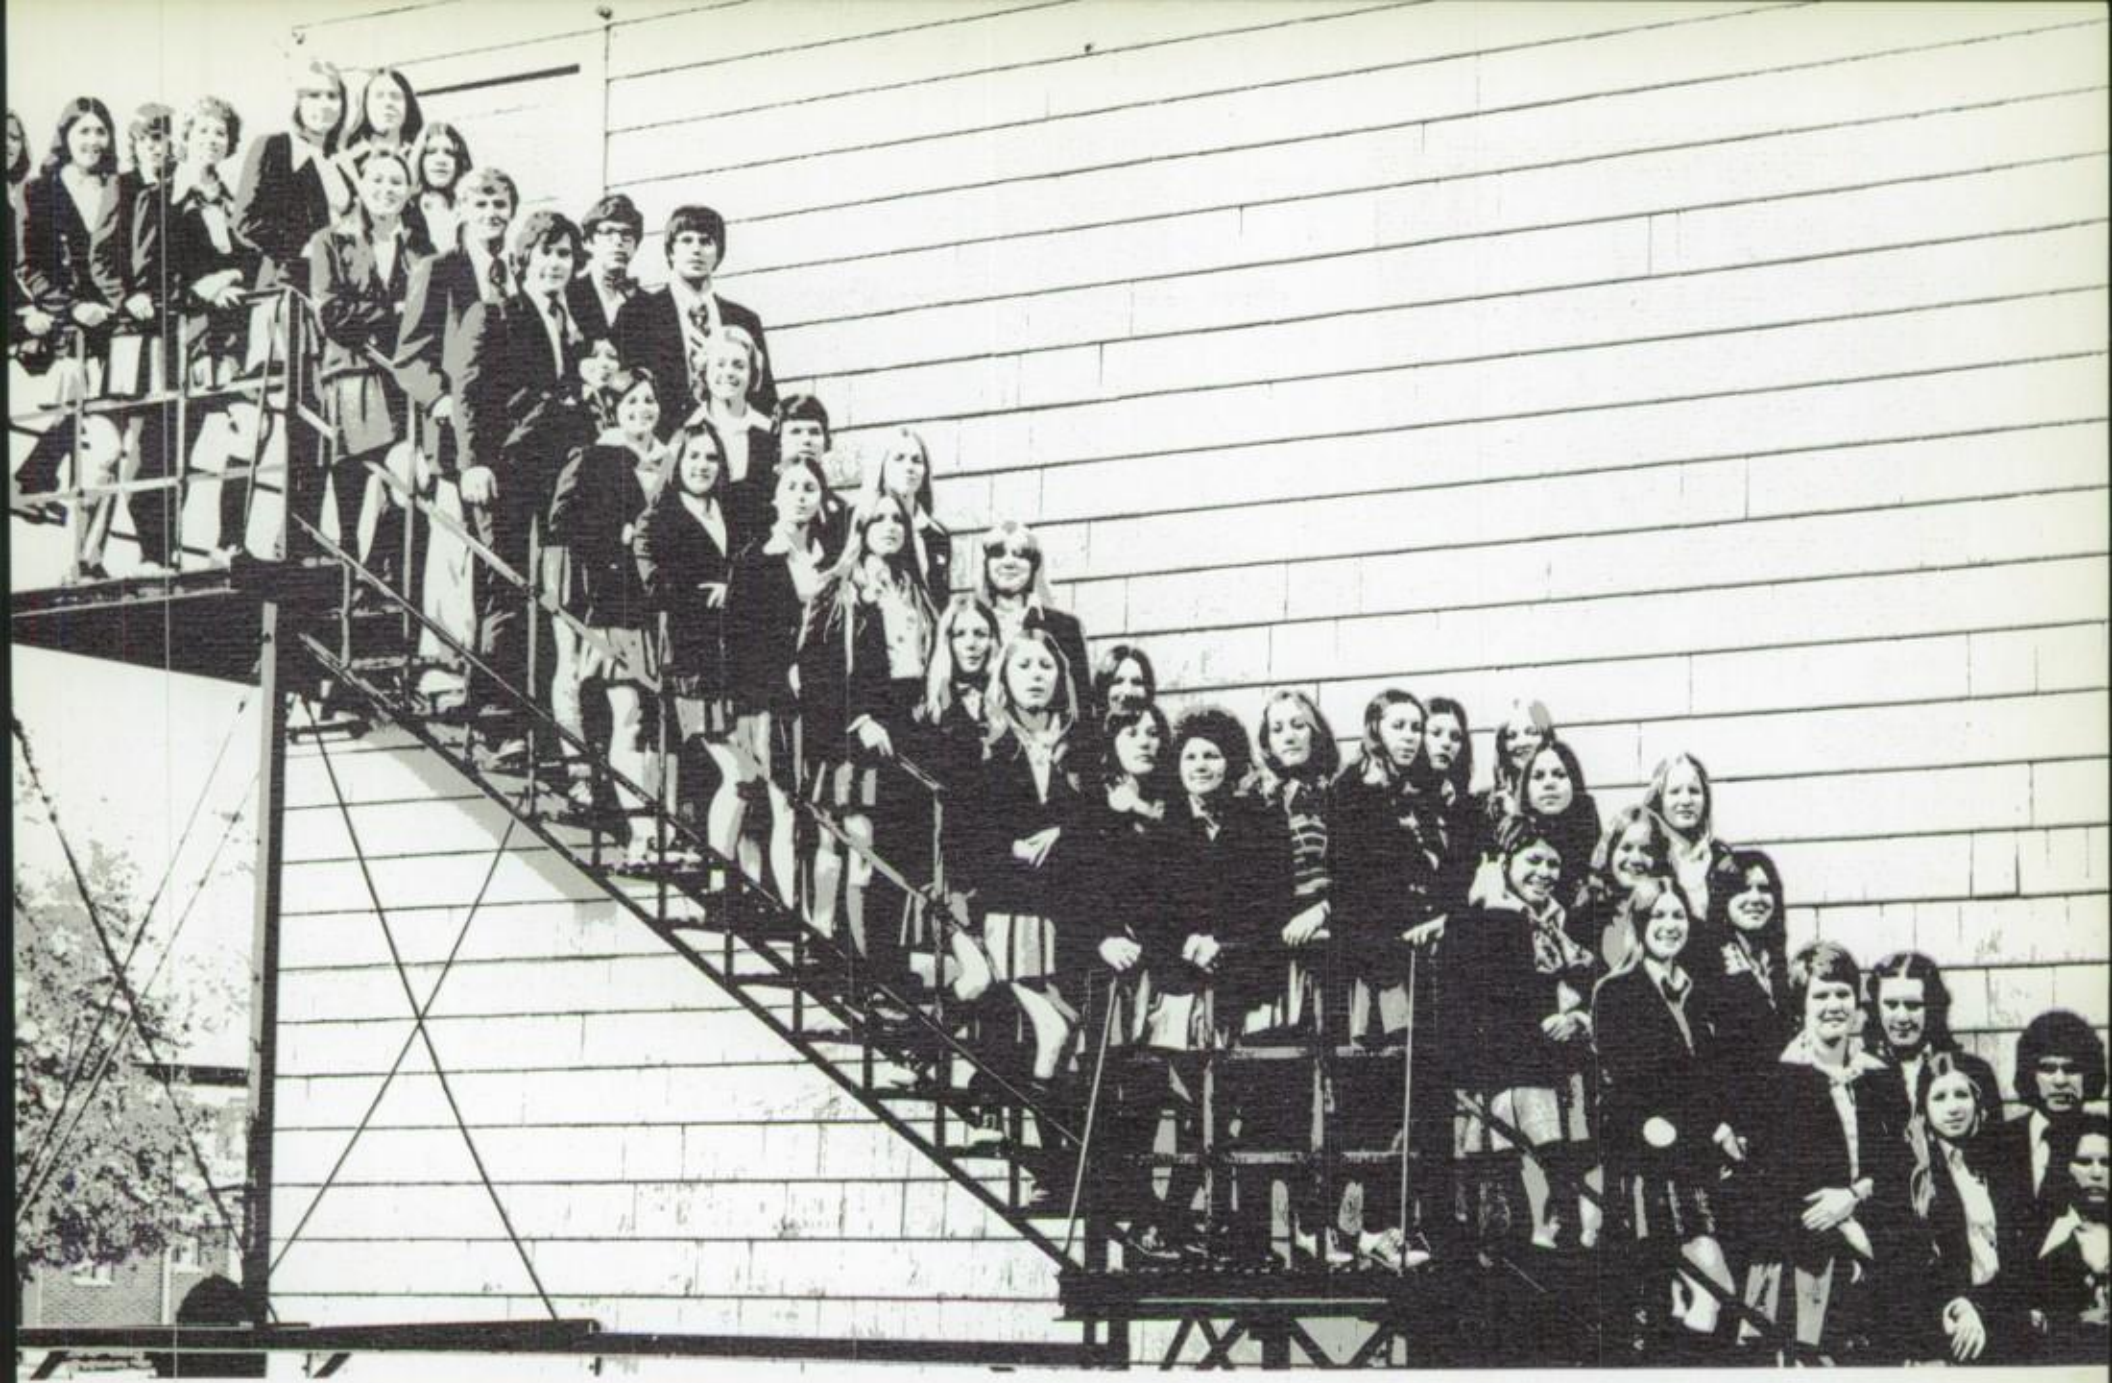
GENERAL INDEX



WE DID IT!



Josemont 1975 all began when we attended a workshop at Kent State . . . Kent was the beginning of a new vocab at St. Joe . . . really . . . wow . . . Photographs and Memories was chosen for the theme of the 1975 Josemont after a heated discussion . . . Once we finally got together, things really began to roll . . . With Mr. Dondero's A-O.K., a special senior dress-up day was granted to allow the end sheet picture to be taken and everyone ripped off to Speigel Grove . . . Kodak didn't print all of our pictures causing some anxious moments . . . After the first deadline was met, the whole staff boogied at a sixth period pizza party . . . Nick and team were at a stand still until outcome of the final state football playoffs . . . Marcy and gang were climbing the walls when underclass pictures were lost in the mail . . . The whole staff splurged on goodies while supposedly getting sponsors . . . Thanks Mr. Utz and Mrs. Skarupa for being so gullible . . . "You do it! I did the last one!" became a familiar cry with the typists . . . Inexperienced photographers, after many goof-ups, finally became pros . . . Studies under Mary, became the first ones to finish their section . . . Faculty, with Professor Abby learned to get permission before acting . . . Thanks to Seals and Crofts for our senior class song . . . Introduction and Conclusion had Lisa in the beginning, Carol in between and Linda bringing up the rear . . . Thanks to Ray and Sue, our business managers, we never went in the hole . . . Student Life spent many fourth periods slaving away in Josemont . . . We made a frantic call to Mr. Bynum at 10:00 P.M. with copyright hassels . . . Jan. 27 was supposedly, a free day . . . Ha! spent in Josemount . . .

Thanks to Mrs. Skarupa and the whole staff . . . We did it, we did it, we did it, did it, did it, WE DID IT!

DEDICATION TO MRS. ETHEL SMITH

She lived for life and all its joys;
She bore three girls and two little boys.

A teacher we all respected and loved;
A friend who God gave us from above.

Through her class the students were brought closer together;
An understanding teacher who could surpass no other.

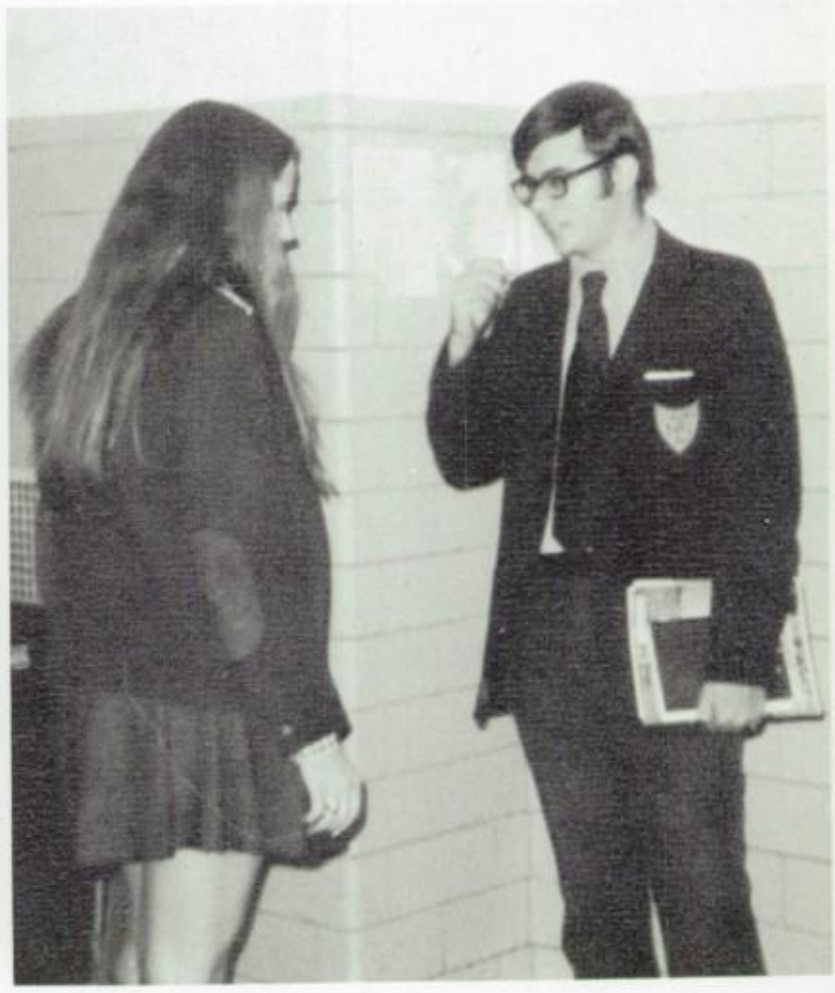
Her love for life and God was projected through her action;
Her love for teaching was one of her few sanctions.

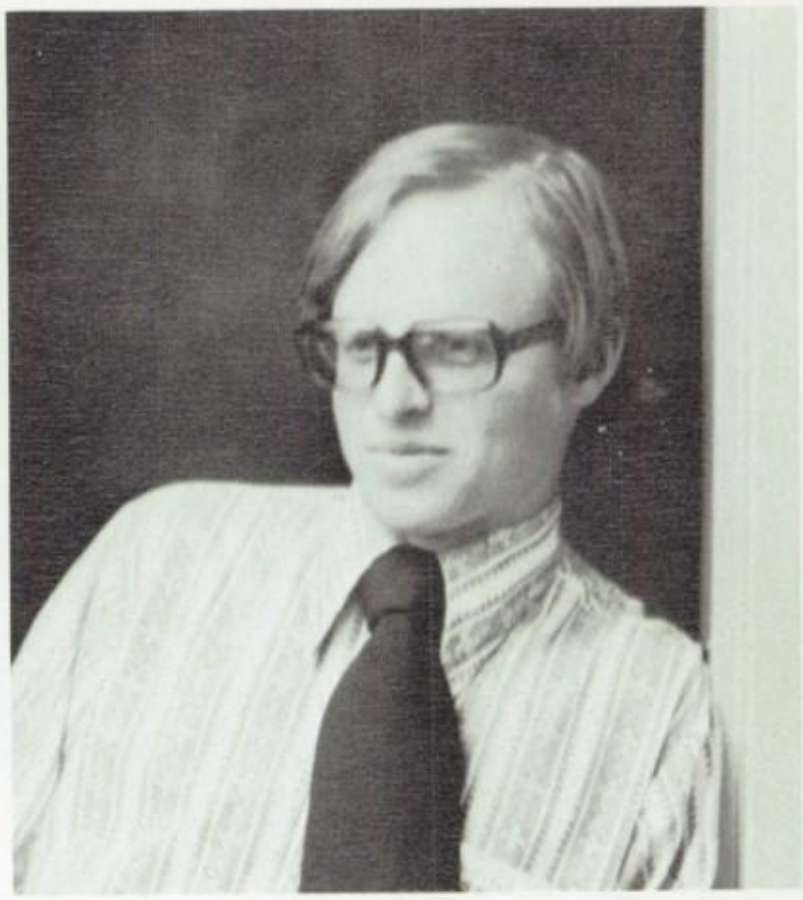
A saint in all respects, you see;
Then God came and took her and left you and me.

He came and asked her to live with Him;
As she accepted, everything grew dim.

Then God showed his radiant light and took her by the hand;
And led her away from the pain and evil in this land.

Now her life has been fulfilled and her memory lingers on;
For she brought us the hope and proof of the happiness beyond.





The class of 1975 was the last class at St. Joe to receive initiation. The following three statutes prohibit hazing in this state: 2901.20, 2901.21, 2901.22. They were enacted in 1972.

PHOTO MEMORIES

Photos colored with the seasons,
Each possessing a story; a reason.

Joys of victory captured still,
Time halted beneath our window sills.

Tears of defeat in photos clear,
Silhouettes of friends held forever dear.

Reliving memories of love known first,
Prom's punches to quench one's thirst.

Rewards of accomplishment in borders white,
Quiet reminiscing upon first sight.

Pictures, silent reminders of hours now past,
Tender moments of the weeks before last.

A fragmented memory of yours and mine,
For days in the future forever shine.
